This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

CAPITAL DYNAMICS BROKER DEALER LLC

NOTES TO THE FINANCIAL STATEMENT

1. Nature of business and summary of significant accounting policies

Nature of Business

Capital Dynamics Broker Dealer LLC (the "Company") is a wholly-owned subsidiary of Capital Dynamics US, Inc. ("Parent"), effective March 31, 2018. Prior to this date, the Company was a wholly-owned subsidiary of Capital Dynamics, Inc. ("CDI" or "Affiliate") which is now a wholly-owned subsidiary of Parent. The Company is engaged in serving as placement agent to private investment companies (solely those private investment companies sponsored by one or more of its affiliates). The Company does not maintain customer accounts, engage in proprietary trading, or serve as underwriter in public offerings. The Company commenced operations in August 2009.

The Company is a registered broker-dealer with the Securities and Exchange Commission ("SEC") and is a member of the Financial Industry Regulatory Authority ("FINRA").

Basis of Preparation

The financial statement has been prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Concentration of Credit Risk

The Company maintains its cash in a single bank account at a federally insured banking institution.

Revenue Recognition

The Company earns revenue in accordance with the Private Placement Agent Agreement held with CDI, a related party under common ownership. Success fees are earned based on a percentage of (i) the amount invested on closing in the funds managed by CDI, (ii) the management fee received in respect to a subscription or (iii) the contractual value of a binding contract, provided that such fees amount to at least 105% of the related sales commissions expenses suffered and recharged by the Parent, pursuant to the Private Placement Agent Engagement with CDI. The success fee revenue is earned based on the contractual value of a binding contract, whereby the initial subscription will give rise to a success fee. The Company believes that the performance obligation is satisfied on the date of closing when the capital contribution is called for by CDI because that is when the underlying investment has been placed with the customer. The success fee revenue recognized is constrained to the amount that is not subject to reversal, since the success fee may be reduced by any customer who do not contribute capital in accordance with the requirements of the private investment companies sponsored by the Company's affiliates. In addition to success fees, the Company receives a monthly retainer fee as compensation for reasonable efforts to arrange for private placements for private investment companies sponsored by the Company's affiliates, or Offered Services as defined in the Private Placement Agent Agreement. Revenue is recognized over time for these services, in which the performance obligations are simultaneously provided by the Company and utilized by CDI.

Income Taxes

The Company is a single member limited liability company, and is treated as a disregarded entity for income tax reporting purposes. Accordingly, the Company has not provided for federal or state income taxes.

Management has determined that the Company had no uncertain tax positions that would require financial statement recognition at December 31, 2022. This determination will always be subject to ongoing revaluation as facts and circumstances may require. The Company remains subject to U.S. federal and state income tax audits for all periods subsequent to 2018.

NOTES TO THE FINANCIAL STATEMENT

1. Nature of business and summary of significant accounting policies (continued)

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Company's management to make estimates and assumptions that affect the amounts disclosed in the financial statements. Actual results could differ from those estimates.

2. Net capital requirement

The Company, as a registered broker-dealer, is subject to the SEC Uniform Net Capital Rule 15c3-1. This Rule requires the maintenance of minimum net capital and that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 and that equity capital may not be withdrawn or cash dividends paid if the resulting aggregate indebtedness to net capital ratio would exceed 10 to 1. At December 31, 2022, the Company's net capital was approximately \$81,800, which was approximately \$76,800, in excess of its minimum net capital requirement of \$5,000.

3. Exemption from Rule 15c3-3

The Company is no longer claiming exemption from SEC Rule 15c3-3, in reliance on footnote 74 to SEC Release 34-70073, and as discussed in Q&A 8 of the related FAQ issued by SEC staff. The Company has represented that it does not and will not, directly or indirectly receive, hold or otherwise owe funds or securities for or to customers, does not and will not carry accounts of or for customers and does not and will not carry PAB accounts. The Company's business activities are, and will remain the private placement of securities, including providing advice regarding structuring, financing, investment or divestment, and evaluation of investment alternatives.

The Company was recharged \$112,824 by the Parent for sales commission expenses to registered representatives for the year ended December 31, 2022.

Pursuant to a separate agreement, (the "Agreement"), with Parent (effective March 1, 2020), the Company recognizes certain general and administrative expenses (such as rent, office expenses, and other fees) based on the terms and conditions per the Agreement. General and administrative expenses under this Agreement amounted to \$12,600 for the year ended December 31, 2022. The receivables and payables from/to CDI and Parent fluctuates based on the timing of cash payments, the amount of success fees, and the intercompany recharges from CDI and Parent.
